### Impulses for Impact Builder. Inspire. Enable. Develop.

People come to me for clarity about their professional and personal goals. A systemic, holistic approach connects both worlds. Thus, my clients realise sustainable and robust solutions.

### Challenges. Opportunities. Future Perspectives.

As a Systemic Coach, I facilitate your transformation and development process as you navigate through uncertainty and complexity. Together we find out what it's really about.

### curious · humorous · direct · creative · appreciative

I support executives in developing themselves, implementing new forms of leadership and successfully mastering transformation. You succeed in breaking down ingrained patterns and behavior, gaining different perspectives, overcome obstacles and developing new working solutions.

### And what moves you?
